

LBX Announces New 5-Year/5,000-Hour Standard Warranty for Link-Belt X4 Excavators

July 8, 2020 (Lexington, KY)

LBX Company LLC, Lexington, Kentucky is pleased to announce standard full-machine warranty terms of 5 years or 5,000 hours, on new Link-Belt X4 excavators purchased after July 1, 2020. This warranty package also includes a generous 5-year/10,000-hour XtraStructure warranty.

The new X4 standard warranty gives customers peace of mind by helping protect their equipment from unforeseen expenses created by repair costs and/or downtime. The warranty is also transferrable through the warranty registration process.

“The decision to expand our warranty represents a unique opportunity for LBX and our dealers to be the industry leaders, with a powerful warranty package that fully supports our long-term growth strategy,” said Rod Boyer, Vice President, Customer Support. “This is a very strong statement on the inherent quality of our products.”

Does not apply to all models or applications. Contact your [Dealer](#) or visit lbxco.com/warranty for more details.

About LBX Company

LBX Company LLC offers a full line of Link-Belt hydraulic excavators—including standard, long front & minimum swing configurations—from 8 to 80 metric tons. Link-Belt machines are available through an extensive network of dealers in North and Latin America. LBX’s subsidiary company, LBX do Brasil, distributes these products in Latin America. LBX Company is a wholly owned subsidiary of Sumitomo Construction Machinery, a worldwide leader in construction equipment innovation and quality manufacturing based in Chiba, Japan.
