

Pink-Belt Debuts at JB Harris 1st Annual Charity Golf Tournament

Shellman Bluff, GA- The first annual charity golf tournament, *Logistics for a Cure*, was held this week at the Sapelo Hammock Golf Club.

Link-Belt Excavators debuted their fifth Pink-Belt machine at the event. Pink-Belt machines have raised over a million dollars for breast cancer awareness, contributing to foundations that provide care and education in local communities and nationwide.

The tournament featured raffles and awards, including golf clubs, travel bags, Pink-Belt Scale models, and awards for team winners, sponsors, closest to the pin, raft game, and longest drive.

“We at JBH want to thank Link Belt Excavators for their beautiful excavator and attendance,” said Randy Aragon, Chief Operating Officer and Partner at JB Harris Group. “We also want to thank everyone who participated and graciously gave money to cure cancer! With Sapelo Hammock Golf Course, McIntosh County, and those unbelievable volunteers, we pulled off a great event for combating Cancer. We plan on many more!”

Monica Crawford, Supply Chain and Procurement Manager, comments, “LBX’s core purpose is to build stronger communities---this would be impossible without partners like JB Harris that share our vision. It was a pleasure to celebrate our partnership with the JB Harris team and their supporters, launching the Pink-Belt tour to raise money and awareness for the fight against breast cancer. LBX’s core values are We are Genuine, Agile and Bleed Link-Belt Red. Today, we give

back and bleed Pink for those we have lost, who have survived, and who will be impacted by this disease.”

Pink Belt has officially begun her nationwide journey to raise awareness and funds for breast cancer research and support. The machine will visit participating dealers nationwide, stopping for special events, open houses, and displays. The tour will culminate at ConExpo in Las Vegas in March 2026, where she will be auctioned off, with all proceeds benefiting the National Breast Cancer Foundation and CHI Saint Joseph Health's Yes, Mamm! program.
